TERMS OF REFERENCE

Final Evaluation - Resilience Programme Lebanon

1. BACKGROUND

The programme has been implemented since 2022 in collaboration with WFP. The evaluation covers the period 2022-2024 across three governorates.

2. OBJECTIVES

The objective is to assess the relevance, effectiveness, efficiency, and sustainability of the programme.

3. METHODOLOGY

The consultant shall propose a rigorous mixed-methods evaluation design. The methodology must include both quantitative and qualitative components. The consultant shall conduct at least 30 Key Informant Interviews (KIIs). A minimum of 6 Focus Group Discussions (FGDs) shall be conducted. A household survey with approximately 400 respondents is required.

4. DELIVERABLES

Inception Report: within 10 working days of contract signature. Draft Evaluation Report: within 45 working days after fieldwork. Final Evaluation Report: within 15 calendar days after client comments.

5. SUBMISSION

Proposals must be submitted by 30 November 2026 at 17:00 Beirut time. The technical proposal must not exceed 20 pages excluding annexes. Technical and financial proposals shall be submitted separately.
